Motive	To interplay and emphasize talent and creativity in physically challenged people.		
Event Description	<p>In order to showcase the talent and creativity of specially challenged children, various games and activities were conducted. Around 15 children participated in this event. The event started by interacting with the specially-abled kids and then the finger painting activity was conducted, in which the kids dipped their fingers in paints and made beautiful paintings. Then, a colouring activity was conducted to the kids in which colouring sheets were distributed to the children and they coloured it. Once they completed their creative works with the support of our Rotaractors and they cherished it a lot. Then, some games with paper cups and balls were conducted, which overjoyed them. As we learnt they enjoy music, musical chair and dance activities were conducted. Some kids volunteered to sing us a song. Music related activities also enthused them a lot. At last, The children were awarded with smiley batches to encourage them for expressing themselves.</p>		
Impact made for	Specially Abled children		
Outcome of the event	<p>Pure happiness is found in nothing but in the innocent smile of a child. This event helped everyone to seek that happiness and helped the specially-abled children to express their creativity. This also gave whole new experience for the Rotaractors to interact with the specially-abled children and to know their world.</p>		

Feedback (any 3)	<p>"The event was splendid! I personally felt that this event was not just an event but it made me happier from the bottom of my heart, by spending the time with those superb kids. The smiles on their faces made my heart more satisfied. I am glad that I didn't miss this event in my hectic schedules. I feel that the event is incomplete since we weren't able to conduct few games which we organized, it's my humble request to complete the event at the earliest by doing it in another phase. Overall, the event was worthy and productive."</p>

#### Description :

"Home is where the heart is!"

To provide safe and secure space to homeless and handicaps, an effort to help the orphans and handicaps in the streets of Coimbatore by joining hands with the Helping Hearts Old Age Home was embarked. The initiative was started by looking for orphans around Marudhamalai and Gandhipuram bus stand. Unfortunately, a suitable person to send to the old age home was not found, which prompted us to broaden our search further. Luckily, four persons were located outside the Government Hospital of Coimbatore. After enquiring them, their willingness to join the old-age home were known. Subsequently, two members from the Helping Hearts Old Age Home arrived at the area and investigated further. Eventually, two suitable men of approximately age above 60 were found to join the home. But only one of them was rescued while the other will be rescued weeks later as per his wish. Due to a serious injury in his leg, the rescued man was immediately transported to a hospital for assessment and treatment. He will be sent to the home within a week once he gets cured by the members of Helping Hearts Old Age Home. Through this, we helped the orphans and handicaps by providing them a safe and secured place where they could get proper care and treatment.

महोदया/ महोदय,

Respected Principal/ Mentor,

Greetings from Bureau of Indian Standards!!!

14 October of every year is celebrated as World Standards Day all over the world to commemorate the work of Engineers, Technocrats, in the field of Standardization and establishment of ISO. The aim of World Standards Day is to raise awareness among regulators, industry and consumers as to the importance of Standardization in context to Global economy. As part of the celebration, BIS organizes various activities all over India on a central theme determined by ISO, IEC & ITU based on certain current aspect of Standardization. Accordingly, this year's theme is SHARED VISION FOR A BETTER WORLD.

Bureau of Indian Standards, Coimbatore is celebrating World Standards Day on 14th October 2022, Friday. As a part of this programme, we have been directed to identify 100 youth volunteers for door-to-door campaign on BIS and its activities. We would like you to select 25 student candidates enrolled under the standard club to be engaged for door-to-door campaign. Each selected youth volunteer will be required to cover minimum of 25 households for this campaign.

An online training on the above aspects will be organized to facilitate selected volunteers in performing the expected task. The volunteers will be assigned the residential localities, each of them is required to visit. After interaction with the household visited, the volunteers will also be required to get a feedback form filled.

To impart training/ introduction on Door-to-Door Campaign activities to be carried out by the students, a link will be shared after finalizing the candidates under the guidance of Head of Coimbatore branch office. Standards Club

Mentors are requested to ensure that their students are duly allowed for participation in door-to-door campaign by the competent authority of your institution.

Being Mentor of Standards Club you are hereby requested to forward the "google form" link to prospective BIS standards Club students and members in order to get registered / enrolled for this Door- to- Door campaign.

Kindly find the following link for the enrollment/registration.

According to the type of things, we can divide cleanliness into various types such as cleaning of clothes, cleaning of streets, cleaning of surroundings, cleaning of houses, cleaning of person, personal cleanliness, etc. In order to maintain our personal cleanliness, we need to practice cleanliness very carefully and make it a most important habit. It is very necessary to maintain the cleanliness of surrounding together with our personal cleanliness. We should understand the importance of cleanliness and do practice of cleaning ourselves and surrounding areas.

### **CONCLUSION:**

In conclusion, the cleanliness campaign had a significant impact on the location. It not only improved the health and well-being of the residents but also contributed to the overall cleanliness of the environment. It is essential to conduct such campaigns regularly to maintain a clean and healthy environment for ourselves and future generations.

# 46.CYCLE RALLY

Date:03/06/2022

Millions of people around the world use a bicycle as their primary means of transportation, meaning they get a healthy dose of physical activity as part of their daily routines. World Bicycle Day is the day to join them (if you don't bike every day already!) as a special celebration of one of history's best inventions.....

#### CONCLUSION:

The day celebrates the uniqueness, durability, and versatility of the bicycle and promotes it as a simple, sustainable means of transportation. Bicycle is good for physical and mental health, also it is good for the environment and the economy.

## 47.ANTIDRUG RALLY

Date:26/06/2022

The International Day against Drug Abuse and Illicit Trafficking, or World Drug Day, is marked on 26 June every year to strengthen action and cooperation in achieving a world free of drug abuse.

And each year, individuals like yourself, entire communities, and various organizations all over the world join in to observe World Drug Day to help raise awareness of the major problem that illicit drugs pose to society.

Together, we can tackle the world drug problem!

Conclusion:

Drug use and addiction cause a lot of disease and disability in the world. Recent advances in neuroscience may help improve policies to reduce the harm that the use of tobacco, alcohol, and other psychoactive drugs impose on society.
