Subject: Invitation as an expert for International Symposium (iTel - 2019)

---000---

Greetings from Government Engineering College Jagdalpur

It's our immense pleasure that we are organizing International Symposium on "INNOVATION IN TEACHING-LEARNING PROCESS IN ENGINEERING & TECHNOLOGY (iTel - 2019)" from 7th to 9th February, 2019 in Collaboration with mentor institute Govt College of Technology, Coimbatore, Tamil Nadu.

The event will feature the participation of key experts from different parts of the world, including India, and it is intended to attract the involvement of institutional leaders, academic deans and teachers from higher education institutions and technical colleges from India.

We would be glad to get a positive response from you as an expert for the symposium. The expenditure incurred towards travelling and local lodging will be taken care by the institute.

We look forward to your esteemed presence in the event at our institute. It would be an honour to have you with us and bless the symposium with your auspicious presence and thoughts.

For your kind information & perusal the programme brochure is enclosed here.

REPORT ON
ONE DAY ORIENTATION WORKSHOP ON
SCHEME FOR PROMOTION OF ACADEMIC AND RESEARCH
COLLABORATION – SPARC 2019

CONDUCTED BY

विश्वविद्यालय अनुदान आयोग
University Grants Commission
quality higher education for all

IN ASSOCIATION WITH

DATE: 20.09.2019

Submitted by:

Dr.R.Thenmozhi, Professor & Head/Civil Engg.,

Dr.R.Rajeswari, Associate Professor/EEE

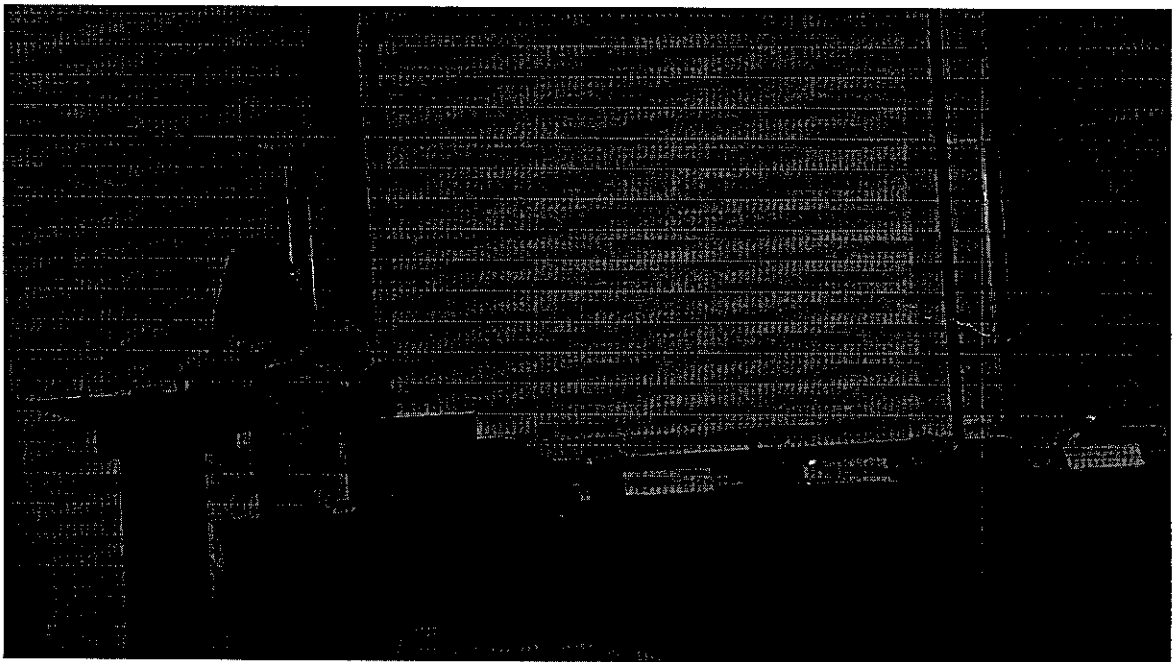

Government College of Technology, Coimbatore – 641013

On 20.9.2019 forenoon session, registration of participants have been done by the volunteers from the IISc., Bangalore. That was followed by SPARC Cell Faculty Prof. Swagata Dasgupta, IIT, Kharagpur highlighted Objectives and Funding of SPARC for about 40 minutes. Deputy Advisor, MHRD Dr.Anamika have delivered speech on " SPARC proposals in Humanities and Social Sciences. Dr.Sudhakar Rao, Professor, IISc, Bangalore have insisted about "Importance of Collaborative Joint Research through SPARC. After short tea break interaction session was continued for about 30 minutes. The program was completed with high lunch including hot discussion about failed proposals which were sent for the year 2018. The detailed schedule of the program is attached herewith.

ACTION PLAN:

- ✓ Institute Co-Ordinator called Single Point of Contact (SPOC) can be nominated for monitoring SPARC activities in GCT,CBE.
- ✓ Department nodal officers can be assigned & encouraged for every year Academic and Research Project proposal submission.

IMPORTANT DATES

Last date for receiving application: 11.11.2019
Registration for selected participants: 13.11.2019

WHO CAN ATTEND

This programme is open to the faculty members
of EEE department of AICTE approved Engineering
colleges and engineers from Industries / Utilities /
Research Organizations.

REGISTRATION DETAILS

The application form duly filled along with the
registration fee in the form of DD for Rs.500 (for-faculty
members from AICTE approved institutions which is
refundable on completion of the programme) and
Rs.2000 (for working professionals from
Industries/Utilities/ Research Organizations) should
reach the address mentioned below not later than
11.11.2019. The selected participant will be intimated
through e-mail on 13.11.2019. DD should be drawn in
favour of "The Principal-AICTE FDP EEE" payable at
Coimbatore. Participants from Engineering colleges will
be provided boarding, lodging and travelling
allowances. Participants from Industries/Utilities/
Research Organizations are requested to make their
own arrangements for boarding and lodging.

RESOURCE PERSONS

- Experts from leading academic institutions
- Invited experts from Industries/Utilities/
Research Organizations.

ABOUT THE INSTITUTION

The Government College of Technology started in 1945, celebrating its platinum jubilee, is one of the Premier Engineering Institutions of the country having a very large contribution to academic and technological developments. It offers nine under graduate programmes, eleven post graduate programmes and offers facilities for full time and part time Ph.D. programmes. Our institution has been accredited by NAAC with 'A' grade for 5 years. GCT received TEQIP fund of Rs. 13.5 crores in phase – I, 17.5 crores in phase-II and 7 crores in phase-III. Our college has been selected for establishing Centres of Excellence in "Alternate Energy Research" & "Environmental Studies" with funding of 5 crores each.

ABOUT THE DEPARTMENT

The department Electrical Engineering is one of the oldest departments of this institution spanning more than 74 years of existence which offers one under graduate programme, two post graduates programmes and research programmes. The department has been accredited by NBA for 5 years. The department has a team of well qualified and dedicated faculty members having vast experiences in the areas of Power Electronics, Power Systems, Control System and Embedded System. Department has established Centre of Excellence in Alternate Energy Research (CoE-AER) under TEQIP phase –II with fund of Rs. 5 crores. The goal of CoE-AER is to develop a centre for R & D activities in the thrust area of wind power and solar energy and to provide better solutions for industrial problems.

PREAMBLE

The prime importance and advantages of renewable energy are to curb global warming and avoid fossil fuels. There is an urgent need to develop a sustainable path of energy development. Promotion of energy conservation and increase use of renewable

energy sources are twin planks of sustainable conservation. Now-a-days imparting knowledge and getting exposure about the renewable energy sources are vital importance. The ultimate objective of the programme is to motivate the faculty from AICTE approved Engineering colleges all over India which in turn is beneficial to the student community who are the future architect of India. Having strong intention to do fruitful work for development in energy sector of our nation, this programme is being organized.

This programme will provide a comprehensive and structured exposure to various renewable energy sources and their efficient use and control. It also gives exposure to challenges and possible solutions for grid integration of renewable energy sources. Control methods for optimum harvest of energy will be exposed. Recent research topics in renewable energy technology would be discussed.

PROGRAMME CONTENT

- Renewable energy potential and methods of forecasting
- Solar Photo Voltaic Technology
- Wind Energy Conversion Systems
- Wind turbine dynamics
- Role of power electronics in Renewable energy systems
- Power quality issues arising out of grid integration and methods for mitigation
- Active and Reactive Power Control
- Distributed resources and micro grids
- Smart grid technologies
- Energy storage technologies
- Energy auditing and conservation
- Grid codes and Energy policies
- Field and laboratories visits

NPTEL-AICTE Faculty Development Programme

(Funded by the Ministry of HRD, Govt. of India)

This certificate is awarded to

SOWKARTHIKA S

for successfully completing the course

Fundamentals of Electric Drives

with a consolidated score of **92 %**

Prof. Andrew Thangaraj
NPTEL Coordinator
IIT Madras

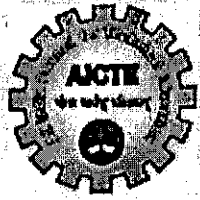

(Jul-Sep 2019)

Prof. Dileep N. Malkhede
Advisor-I (Research, Institute & Faculty Development)
All India Council for Technical Education

Roll No: NPTEL19EE65S11191880

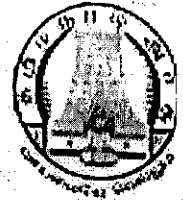

To validate and check scores: <http://nptel.ac.in/noc>

The candidate has studied the above course through AICTE's online and offline modes and has secured a consolidated score of 92% in the course. This certificate is therefore acceptable for availing credit as per AICTE notification dated 14th July 2018. Validity period: 12 months from the date of completion of the course.
F.No. AICTE / RIFD / FDP through MOOCs / 2017-18

To
Dr.R.Rajeswari
Professor,
Department of EEE,
Government College of Technology,
Coimbatore.

Respected Madam,

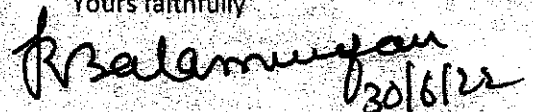

I am pleased to inform that the Department of EEE, Government College of Engineering, Sengipatti, Thanjavur is conducting online (Anna University Sponsored) FTDP on EE8501-Power System Analysis for Anna University affiliated college faculties from 04.07.2022 to 09.07.2022. In this regard, I request you to kindly accept to deliver a lecture (online) in the following topic

SYMMETRICAL FAULT ANALYSIS --Assumptions in short circuit analysis - Symmetrical short circuit analysis using Thevenin's theorem - Bus Impedance matrix building algorithm (without mutual coupling)

DATE AND TIMING: 06.07.2022 Morning two sessions (9am to 10.30am and 10.45am to 12.15pm)

Thanking you

Yours faithfully

I wanted to thank you for serving as a speaker for the Faculty Enhancement Webinar series III, which was held on 04/03/2022. When planning an event such as this, it is imperative to gain the participation of experts in the field. Your willingness to share your time and expertise in the area of Smart Power System was critical to the success of this event. We were fortunate to have you as one of our speakers. On Behalf of all of us at MSEC-EEE department, we offer our thanks for your excellent presentation and sharing your Valuable knowledge.

The webinar was a great success with many participants from various colleges and Universities across India. We have received notes and comments from many Participants that they have received useful ideas from your address.

We sincerely appreciate the time you spent with us for knowledge transfer and the support in creating a day to educate ourselves about many concepts.

Once again, thanks very much for your participation in this Webinar.

Thanks and Regards,

Mrs. S. Soundara Bala,
Head of the Department.

Subject: Appreciation Letter for delivering lecture in the FDTP on "EE3251 - Electric Circuit Analysis" - reg.

Dear Sujatha Balaraman,

I would like to take this opportunity to express my heartfelt thanks to you for your very active presentation in the online FDTP on "EE3251 - Electric Circuit Analysis". The Principal and Head of the Department have appreciated your efforts in supporting the Faculty Development Training Programme in this important undertaking.

Your skill in talking about different angles of the subject "Network Reduction Theorems for DC and AC Circuits" on 04.01.2022 from 9:00 am to 12:15 pm was highly appreciated by the participating faculty and we look for your support in our future programmes also.

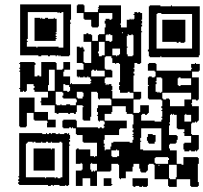

Yours Truly,

Dear Professor,

Sub: Extending thanks for being the resource person for the two days online workshop on
"Research Aspects in Power Electronic Converters for Microgrid System" -
Reg.

I extend my sincere thanks for having accepted our invitation and delivered a talk on the topic "Grid Integration of Distributed Generation Systems: Challenges and Solutions" on 27th May 2022 to the participants on the two days online workshop on "Research Aspects in Power Electronic Converters for Microgrid System" from 26th - 27th May, 2022.

Thanking you

I wanted to thank you for serving as a speaker for the **Faculty Enhancement Webinar series III**, which was held on 04/03/2022. When planning an event such as this, it is imperative to gain the participation of experts in the field. Your willingness to share your time and expertise in the area of **Smart Power System** was critical to the success of this event. We were fortunate to have you as one of our speakers. On Behalf of all of us at MSEC-EEE department, we offer our thanks for your excellent presentation and sharing your Valuable knowledge.

The webinar was a great success with many participants from various colleges and Universities across India. We have received notes and comments from many Participants that they have received useful ideas from your address.

We sincerely appreciate the time you spent with us for knowledge transfer and the support in creating a day to educate ourselves about many concepts.

Once again, thanks very much for your participation in this Webinar.

Thanks and Regards,

Mrs. S. Soundara Bala,
Head of the Department.

Respected Sir

Sub: GVN College, Kovilpatti – Conducting National Level Webinar – Inviting subject matter experts – Reg.

Warm Greetings. It is proposed to organize National Level Webinar on “Solar PV Power Generation and Applications” by the Department of Information Technology on 04.09.2021 (Saturday). We would like to make use the services of your esteemed institution. In this regard we are happy to invite you to handle the Webinar entitled as “Solar PV Power Generation and Applications”. Kindly consider our invitation to handle the webinar on the aforementioned date. We are looking forward your positive response.
