ABOUT THE INSTITUTION

Government College of Technology, Coimbatore formerly known as the Arthur Hope College of Technology, was started in July 1945 to give high priority to technical education. The institution was then renamed as Government College of Technology and affiliated to University of Madras in 1951. Our institution offers nine UG programs and eleven PG programs with research supervisors to pursue M.S. (by Research) and Ph.D. Programs in all the above disciplines. The college was granted full autonomy for all under-graduate and post-graduate courses from the academic year 1987-88.

All the departments have well qualified staff members and excellent infrastructural facilities. This institute received TEQIP funds in Phase I, II and III of MHRD project. GCT is affiliated to Anna University and approved by AICTE and Accredited by NAAC - 'A' grade. This institute is ranked 90 place in NIRF ranking in Engineering Category in the year 2019.

PARTICIPANTS

This FDP programme is open to all faculty members of the AICTE approved institutions, Government Bodies, R&D Organization, P.G., and Ph.D. scholars.

REGISTRATION

There is no registration fee for the participants from TEQIP institutions. The participants from other institutions are requested to pay Rs. 1,000/- by Demand Draft drawn in favor of "Principal, Government College of Technology" payable at Coimbatore. There will be total 60 seats. Please send your filled-in Registration Form either by email / post on or before 28.08.2019. Accommodation can be arranged on payment basis.

DESCRIPTION:

DAY 1

A healthy outside starts from inside. Our flagship event "ELIXIR 2020" started with the inauguration ceremony which began with collaring of Immediate past president and followed by rotaract prayer having honourable people on the dais. Our Principal Dr.Thamarai,our staff co-ordinator Dr.P.Ilamathi,

Rtn. Vijaykrishnan sir,Rtn.Rajesh Chinnasamy sir,our various department staffs and the alumni hall filled with the volunteers of the event.The great folks on the dais addressed and welcomed the gathering and obligated them for their initiative.Principal Dr.Thamarai recognized our event Udhram(collection of datas of blood donors of GCT)and extended her appreciation to the event crew.

Secretary Administration ended the inauguration with vote of thanks.

In our very first day ,Government Hospital,Coimbatore and Dr.Agarwal's Eye Hospital unfolded their service to our college.GH Coimbatore collected blood from the our students after checking the eligibility of being a blood donor. The eligibility test included hemoglobin count, blood pressure and doctor consultation.Nearly 54 students donated blood .

Dr. Agarwal's Eye Hospital came with all requirements to check up the students. Nearly 5 doctors came and checked the students for any eye related issues. Some students also asked about their problems to clarify it. There was a spectacles stall with 25% offer and the folks made use of it. Nearly 730 students were got the check up and got benefitted.

DAY 2

The Vikram ENT hospital came with all setup and checked the students for ear nose and throat related issues. Sound proof ear checking was also available. There were 4 doctors and they checked up nearly 630 students. They also suggested ways to maintain the ear clean during check ups.

GH Coimbatore extended their service to our 2nd day also and made the event more successful by collecting more than 113 units of blood from our willing students which is more than the first day.

DAY 3

RVS Dental College and Hospital checked up nearly 800 students. There were more than 30 doctors. They gave proper suggestions about their teeth and helped them with their problems.

G.Kuppusamy Naidu Hospital came up for the general body check up which is essential for now-a-days. The check up included sugar imbalance, blood pressure, Body Mass Index (Height+Weight). There were 6 doctors and they covered nearly 909 students.

our last day of the event came to an end with valediction ceremony ,Our president Rtr.Deepan was collared and he thanked the crew for all their effort: and appreciated them for their works.Secretary correspondence ended with vote of thanks.At last the success celebration was celebrated by cutting cake and the satisfactions overloaded at the last.

SUCCESS REACH:

Overall 3236 people were benefitted through our medical camp.Not only students but also staffs, non-technical staffs, workers, sweepers ,securities attended the camp and found aid.All the hospitals were provided with mementos on each day accordingly by our staff co-ordinator.

ELIXIR 2020 (Medical camp)

Abstract/ summary of the work undertaken (500 words)

The Rotaract Club of GCT had organized a three day free medical camp named 'ELIXIR 2020' in the campus premises on 19,20,21 February of 2020. The first day of the camp included Eye Check up by Dr. Agarwals' Eye Hospital. Second day included E.N.T Check up by Vikram E.N.T Hospital. General body checkup which includes cancer screening and Dental checkup by G. Kuppusamy Naidu Memorial Hospital and RVS Dental College Hospital respectively was done on the final day. Nearly 167 donors donated blood and the overall beneficiaries of the camp were about 2362 involving Students, staffs and general public.

Relevance of the activity to the theme (500 words)

"ELIXIR-20" made a huge impact on women's health. Most of the students, faculty members, non teaching staff and sanitary workers were tested for breast cancer and were all given a general body checkup, ENT checkup, Eye checkup and Dental checkup as well. It is very important for girls and women out there to take a general body checkup atleast every 6 months just to make sure their health condition is normal. So ELIXIR sowed this awareness on Health into every young minds of GCT people which would take awareness to their families through them.

Proportion of the women benefitted in proportion of the population in that village/area (200 words)

The beneficiaries' counts are provided below:

Girl students: 1250

Women faculty: 80

Non teaching and sanitary workers: 50

This accounts to be around 90 % of the girl and women in our college.

Measurable gains in terms of knowledge gained (cognitive gains) (500 words)

This medical camp ensures that students, faculty members, non teaching staff and sanitary workers are getting healthcare at the right time, and seeing the doctor early enough before a small health problem turns serious and provided the awareness about the importance of taking a general body check up regularly. It helped them to understand the need to follow the basic methods of maintaining oral and personal hygiene, the proper hand washing technique, first aid and menstrual health and hygiene. It also helped them to understand the relationship between physical activities and good health.

Measurable gains in terms of skills acquired and practiced (psychomotor learning and gains) (500 words)

The students, faculty members and non teaching staff and sanitary workers are regularly practicing the advices and consultation provided by the doctors and other health care professionals, as they very well understand their health condition and importance of physical activities and maintaining oral and personal hygiene.

Impact of the activity on the society and its significant outcomes (500 words)

The impact of ELIXIR 2020 was immense because there were many blood donors in the medical camp who donated their blood to the government blood bank. This helped both the students to detoxify their blood and the government to gain the blood stocks. The students were also able to know their haemoglobin levels and also get to know about their body through the general body checkup which included BMI, sugar level, blood pressure level, eye checkup, dental checkup and cancer screening. Some student who didn't notice that they have vision problem were able to identify the power in our camp and were asked to visit the hospital for further process.

Abstract/Summary of the work undertaken(500 words)

The National Service Scheme (Unit I) of Government College of Technology believes that, "Prevention is better than cure". The public and school children are educated about the ways and means of preventing diseases through lifestyle changes. During February 2020, National Service Scheme(Unit I) organized awareness campaigns for cancer and corona virus from 04.02.2020 to 10.02.2020. The volunteers distributed pamphlets on "Foods that prevent cancer" and "Foods that cause cancer". This was followed by an extensive discussion on the commonly occurring cancers and their symptoms. The beneficiaries were the children of Panchayat Union primary school, Kuppepalayam. This school caters to the educational needs of the most marginalised sections of the society. The same was also replicated to the adult population on 09.02.2020.

From 07.02.2020 to 10.02.2020 the various sectors of the society educated on Corona Virus by our NISS (Unit I) volunteers are as follows,

(i)The principals of Government, Government-aided and Self-financing engineering and Polytechnic colleges of Coimbatore.

Relevance of the interventions/ programs/ activities to the mentioned sub-theme

Women play a pivotal role in society. They are the primary caretakers of their family. They exert a major influence on the food habits of their family. The Preventive Health Care campaign of February 2020 ensured that women are made aware of the various types of cancers that are dominant in different age-groups. Enriching the knowledge of women about the foods that prevent cancers and those that cause cancers has sowed the seeds for healthy eating habits among each of their family members. The knowledge gained by the school girls has sowed the seeds for a healthier future generation.

Number of women benefited in proportion of the population in the village/area

The beneficiaries of the Preventive Health Care Campaign of February 2020 is as follows,

Cancer Awareness:

(i) Panchayat Union primary school, Kuppepalayam.

Percent of women educated on campaign-86%

Measurable gains in terms of knowledge gained

The "Preventive Healthcare" campaign of February 2020 ensured that the various segments of the population gained knowledge on the lifestyle changes necessary to avoid unhealthy food styles. It was an eye opener for the children that some of their most favourite foods like sodas, charred meat and sauces were not safe for them. The programme also reinforced the goodness of garlic and turmeric that are important ingredients of the Tamil Nadu cuisine. This also emphasised the symptoms of corona virus and their modes of transmission much before it became a pandemic in India. This led to cautious and safe social behaviour of the people of Kuppepalayam.

Measurable gains in terms of skills acquired and practiced (Psychomotor learning and gain)

1. The children of the Panchayat union primary school is reported to have reduced on snacking on cancer-causing food items during school time.
2. The children of Kuppepalayam are seen wearing masks and practicing social distance norms till date.
3. The students, teachers and technical ministerial staff are found to diligently follow the safety norms of COVID-19.
4. Kuppepalayam with a population 912, has not recorded a single case of corona virus till date.

Impact of the activity on the society and its significant outcomes

The preventive health care (PHC) campaign of February 2020, has had far-reaching consequences. The awareness on cancer causing food has impacted on

the families of our institute's students and staff, due to the repeated exposure to the message through the pamphlets displayed on the notice boards of all departments. The visual representation and the regional language used in the pamphlets distributed at kuppepalayam successfully created interest among the public towards the intended safe eating habits and social behaviour. The zero corona status of kuppepalayam is a significant evidence of the positive impact of the preventive Healthcare(PHC) campaign of February 2020.

1. Abstract/summary of the work undertaken :

II. Wellness by Yoga:

Yoga can benefit women at every phase of their lives. That is why women should not consider yoga as another chore on their overloaded schedule, but as a necessary activity that will help them handle their other obligations optimally. In GCT, International Yoga Day is celebrated with series of events throughout the year. Trainers, Mr. Sathya Narayanan, Mrs. P. Sri Latha, Mr. Saravana Prabhu, Mrs. Pakajavalli, Mrs. Poornima Devi, Mrs. Shahneer, Mrs. Kavitha, Mrs. Dhivya, Ms. Pavithra, Mr. Krishna Prasad and Mr. Ravi Shankar from Art of Living handled the sessions.

2. Relevance of the activity to the sub theme :

II. Wellness by Yoga:

Many experts have recommended yoga for women to help them successfully cater to the multiple demands on their time. This is why yoga will seem like a blessing for women. Yoga is a means to achieving sanity and serenity in their tiring and taxing world. Simple breathing techniques will help women to calm down and handle their multiple responsibilities with proficiency. The series of events organized by Art of Living enable them to practise simplified physical exercises, periods rules and regulation, asana, pranayama, mudra, bandh, meditation, kundalini yoga and holistic cooking.

3. Proportion of women beneficiary in the activity in proportion with the population of that area

II. Wellness by Yoga:

Productivity Enhancement Program by Art of Living for Teaching Faculty: 64%, Productivity Enhancement Program by Art of Living for Non-Teaching Staff: 45%, Students Excellence and Learning Programme by Art of Living for Teaching Faculty :59%, Holistic Lifestyle Management by Art of Living for Teaching Faculty: 71%, Wellness by Art of Living for the PG students: 50%, Wellness by Art of Living for Teaching Faculty; 78%, Through value added one credit courses: 65%, Through Induction Program: 55%; total number women beneficiaries is 564 out of 936 total participants.

Measurable gains in terms of knowledge gained/cognitive gains

II. Wellness by Yoga:

Women are encouraged to cultivate lifestyle changes through the series of art of living activities. Follow up activities are conducted weekly once (Wednesday) from 4.00 p.m. to 5.00 p.m. where women faculty can exchange their experience with other participants and get their doubts cleared from the Art of Living trainer. Women faculty/residence from staff quarters /hostel students can practise Yoga in the activity centre of Maamutharu Girls' Hostel, daily morning from 5.00 a.m. to 7.30 a.m. Even during the lockdown period, women faculty and students participated actively in the online yoga programs through zoom/Gmeet/whatsapp.

4. Measurable gains in terms of skills acquired and practices used (psychometric learning and gains)

II. Wellness by Yoga:

60% of the female Faculty/Staff/Students have successfully adopted the lifestyle changes, and, good numbers of Female Faculty/Staff/Students are volunteers in conducting these programs for rural people from the villages adopted under Unnat Bharath Abhiyan.

ABOUT THE INSTITUTION

Government College of Technology formerly known as Arthur Hope College of Technology, started in 1945, is one of the premier Engineering Institutions of the country having a very large contribution to the academic and technological development. It offers nine under graduate programmes and eleven post graduate programmes under various disciplines. The institution is also a recognized research center of Anna University, Chennai. The college is affiliated to Anna University, Chennai. The college has been granted full autonomy for all the under graduate and post graduate programmes, with effect from the academic year 1987-88. It celebrated its Diamond Jubilee during 2005-2006. The institution received "Best Engineering College Award" in 2010. The Institution is accredited by NAAC with A Grade for 5 years. The institution has been ranked number 90 in NIRF ranking 2019 under engineering category. The institution consistently receives funding from TEQIP I, II and III. The college has IEEE and ISTE students chapter.

PREAMBLE

Work-life balance sounds ideal in theory. But figuring out how to finagle it all is always a challenge, especially when the system is stacked against us. A demanding career makes things even more difficult: Between the deluge of emails, back-to-back meetings, and nonstop deadlines, it's tricky enough to carve out time for family, friends and kids.

To address this issue, Women Empowerment Cell of Government College of Technology, Coimbatore organizes a one day workshop on Work-Life balance for the Women Faculty and Ministerial Staff of Government College of Technology, Coimbatore and the Mentee Institutions Government Engineering College, Jagdhalpur and NIT, Arunachal Pradesh.

Report on International Womens' Day Celebration

Date : 07.03.2022
Time : 2:00 PM – 4:30 PM
Venue : ECE Seminar Hall
Organized By : Women Empowerment Cell

We celebrate International Womens' Day every year throughout the country on 8th March. Women Empowerment Cell (WEC) of Government College of Technology, Coimbatore organized a special lectures and events for women faculty, non teaching, ministerial staff, research scholars and girl students in the occasion on International Womens' day. It was celebrated on 07.03.2022.

Dr. Sujatha Balaraman Associate Professor of Electrical and Electronics Engineering welcomed the gathering. Dr. P. Thamarai, Principal, delivered the patron address on women empowerment cell. The activities carried out by women empowerment cell were appreciated and they were encouraged to organize more activities in the future.

Many activities were organized for the students (both online and offline mode) from 01.03.2022 to 5.03.2022 in the theme of "Media News on sexual Harassment – observe, explain and solution". The activities are tabulated below.

S.No	Date	Name of the Event	No. of Participants
1	01.03.2022 & 02.03.2022	Article Writing, Artist in You, Spin a story, Uno Minuto and Verse n' Verdict	10
2	03.03.2022	Elocution	8
3	04.03.2022	Rangoli	20
4	05.03.2022	Skit	13

The students are actively participated in all the events. Prizes were distributed to the winners of various events like Elocution, Rangoli, Skit on the theme to the students. It was surprising to see that male participants won a few prizes as well.

Finally, fun activities like balloon race, dumb charades, guess the Tamil song by its English lyrics and blind drawing games and few others were conducted for women faculty, non teaching and ministerial staff members. Finally, Dr.S.Chitra, APCE thanked the gathering for making the memorable.

As a part of Womens' day Celebration, various activities conducted for Teaching, Non-teaching and Ministerial Staff members as stress buster and to build their confidence.

Balloon Race:

Balloon race was conducted by Prof. Nithya of IBT department. Balloon race can be a great way to boost resilience; which is the ability to recover from setbacks and keep going even when things go wrong. It can also build persistence as they learn to keep trying even when it is difficult. These skills are important for emotional development and learning new things.

Dumb Charades:

Dumb Charades was conducted by Prof. Sathya of English department. It makes us agile and cheers up our mood. It is not just about acting and guessing, it is a whole process of team building and making bonds stronger. It is not an individual game but rather reflects team participation.

Blind Drawing Game:

Blind Drawing Game was conducted by Prof. Revathi, Asso. Prof. of Physics department. Blind line drawings help to improve your hand-eye coordination and your artistic observational skills. By not looking down at your paper, you're forced to see your subject as a series of lines and shapes rather than, say, a face with a nose and eyes.

5 Stones and Flower Tying :

Five stones and flower tying activity were conducted by Prof. Devi of Information and Technology department. The game aims to help improve eye sight and memory, and builds concentration and aiming skills. It is a good gauge of one's dexterity and hand-eye coordination.

The program was organized and conducted successfully with fullest cooperation of the Coordinators of WEC and the Program came to an end by 5 PM.

Webinar conducted for women teaching, non teaching and ministerial staff to cultivate a mindset of determination and to tackle difficult challenges The welcome address was given by Dr.Sujatha Balaraman Professor/EEE and Convenor of Women Empowerment Cell. She highlighted the roles and responsibilities of WEC of our college. Prof. Amina Bibi , ECE department introduced the Chief Guest Mrs. G.A. Malarkodi and she emphasized the achievements of our chief guest. Chief guest Mrs. G.A. Malarkodi gave a motivational speech on the empowerment of women in the society. She stated that motivation is a tool required for women to reach their goals that depends on facts like, for their basic needs and dependence for their families or own perspectives. She also described motivation as women’s self-strength, encouragement, impulse etc., which is used to develop their skills in different areas. She said it is the process that initiates, guides and maintains goal-orientation behavior. She classified the motivation as Intrinsic and Extrinsic motivation. To build intrinsic motivation one needs to take the path of inward journey and find the truth self. YOGA is the tool which helps you in this inward journey. Extrinsic motivation is to engage in an activity because it leads to a tangible reward or avoids punishment. She also highlighted the benefits of Yoga where it helps in controlling an individual’s mind, soul and body. She said Yoga brings together physical and mental disciplines to achieve a peaceful body and mind. It helps manage stress and anxiety and keeps you relaxing. She also suggested that doing a simple movements or exercise will give a better concentration, creativity and sharpens to our memory. She also stressed to have proper food to highlight an old saying “Food is medicine”.

Vote of thanks was given by Prof. Malavika, Computer Science Engineering. She expressed her sincere gratitude to the chief guest for sharing her valuable thoughts. The program came to an end by 4:30 pm.

Awareness programme on “Recent Incidents In Connection With Women Harassment”

Date: 18.05.2022 (AN)

Venue: open Auditorium

Events: 1) Mime on the topic “Child Trafficking”

2) Skit on the topic “Women Harassment”

Report about the Programme

On an account to the recent incidents in connection with women harassment in Virudhunagar and Vellore districts, an awareness programme was conducted for UG and PG students (girls) to avoid and overcome these sorts of issues by the Women Empowerment cell of Government College of Technology, Coimbatore on 18.05.2022. The programme was conducted in the Open Auditorium at 2.30 p.m. The welcome address was given by Coordinator Dr. S. Chithra, AP, Civil Engg.

Mime on the concept of “**Child Trafficking**” was performed by a team of seven boys from the Tamil Mandram of GCT Coimbatore. The team depicted human trafficking cases nowadays where many young children of both genders are being kidnapped by strangers using the conventional ice-cream, chocolates and are abused, hurt, tortured for illegal businesses like begging and many other petty jobs. When the children don’t earn much, they are further being tortured by cruel goons. Besides, girl children are sexually harassed by those goons. This problem can be reduced or may be avoided if their parents, family and teachers give them the awareness about the strangers and about good and bad touch. Family must ensure that their children even if they have been caught in any bad situations, they should have the confidence and should be able to defend themselves at worst case scenarios. The problems and solutions were explained clearly by the students through Mime.

Then, a **Skit** on the topic of “**Women Harassment**” was performed by the ‘Therukoothu’ team (comprising of nine girls) of Tamil Mandram of GCT. Previously it was thought that improper dress code leads to sexual harassment but nowadays even kids are being abused irrespective of the dresses. Even in trustable relationships, wives are being sexually abused by their husbands where dress code is clearly not one of the causes of abuse. These harassments are due to people’s perspective towards women and not because of their dress. The Skit clearly portrayed the issues and also highlighted on how women have to be mentally strong to face the situations in the world as a part of their self-defence.

“Awareness Programme about Lactation”

Report about the Programme

On an account of global World Breastfeeding Week (WBW) campaign, Women Empowerment Cell of Government College of Technology, Coimbatore conducted an “Awareness Programme about Lactation” on 04.08.2022 at 2.30 pm in Civil Seminar Hall for young teaching, non teaching and ministerial women faculties.

The welcome address was given by convener of WEC, Dr.Sujatha Balaraman Professor/EEE. Dr. R. Malavika, APIT, introduced the Chief Guest, and she emphasized the achievements of chief guest. Our honorable chief guest Speaker: Ms.Harshini C D, Certified Lactation Care Counselor and Lamaze Certified Childbirth Educator, gave a lecture about the awareness on importance of breastfeeding. She stated that breast milk is the natural first food for babies and breastfeeding is not just good for child’s nutritional and immunological needs; it is also good for mothers.

She emphasized the importance of breast milk and its benefits to newborns i.e develop immunity, improve digestion and optimal growth. Also, direct physical contact with the mother contributes to a sense of security and later psychosocial development of a child. She noted that breastfeeding mothers are less likely to develop breast cancer and bring back their physical health and body shape easier. She recommends to exclusively breastfeed a baby during the first six months and then continues with adding solid food, until 24 months or longer, if it suits both mother and baby. Also, she highlighted on the nutrients in breast milk, health benefits of feeding, rules of breast feeding, storage and barriers to breast feeding.

The session continued with interactions and ended with vote of thanks by Dr. N. Ameena Bibi, APECE. She expressed her sincere gratitude to the chief guest for sharing her valuable thoughts and participants. The program came to an end by 4.30 pm. Around 50 women faculties got benefitted by attending this awareness program.

She highlighted the need for awareness about the POSH ACT and the initiatives taken by the Government to eradicate the harassment of Women at workplace and Society.

Dr. N. Ameena Bibi, Asst. Professor of Electronics and Communication Engg. gave introduction of the Chief Guest Dr. Kamalaveni, Assistant Professor, Department of Women’s Studies, Bharathiyar University, Coimbatore to the participants and highlighted the achievements made by her.

Dr.Kamalaveni gave a comprehensive lecture about “Women are the real architects of the society”. She quoted the concept to learn new things and unlearn the unwanted ones.

She demonstrated a detailed lecture on awareness on gender sensitization and Prevention of Sexual Harrassment Act. She told the story of Bhanwari Devi for India’s women’s rights movement and the act came to society.

She vividly brought out gender equality. The right for freedom irrespective of gender was taught in a great way. She shared the importance of starting the changes for women empowerment from home. The value of unpaid work was delivered by her strong words.

Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 was elaborated by her. The Nirbaya case was pointed that happened in New Delhi. She shared the incidents against the women in work places. Gender equality was taken to everyone's heart and mind. The seminar brought a new thought about women empowerment to the student's minds.

Finally, the vote of thanks was proposed by Dr. R. Malavika, Asst. Professor of Information Technology. The programme came to an end by 4.30 pm. Around 100 students got benefitted by attending this awareness program.

Report on Programme on "Prevention and Protection of Women under PoSH Act" on 26.04.2023 organised by PoSH Cell - Internal Quality Assurance Cell (IQAC)

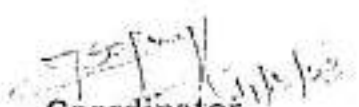

The PoSH Cell of Government College of Technology, Coimbatore has organised a Programme titled "Prevention and Protection of Women Under PoSH Act" on 26.04.2023 FN in Civil Seminar Hall in order to create awareness among the students and faculty members on the issues, problems, harassment, crimes against Women.

As a first note, welcome address was given by, Dr.R.Thennmozhi, IQAC Director. Dr. S. P. Jeyapriya, the Coordinator of PoSH Cell emphasized the necessity of conducting this kind of programme in institutions to create awareness among the students particularly for PG Students and faculties. Earlier similar kind of programme was organized for UG students by Equal Opportunity Cell on the title 'Gender Sensitization and PoSH Act' exclusively for the UG students. The compering team introduced the speaker to the audience.

The guest speaker Mrs.R.Gokila M.A., M.L., Legal Advisor, Bharathiyar University, Coimbatore has delivered lecture on the topics highlighting the objectives of PoSH Act, the types of harassment against women, the Do's and Dont's to be followed when women are exposed to harassment, the routing of lodging complaints, the formation of Internal Complaint Committee (ICC) in institutions were highlighted by the speaker. The formation of PoSH Act after the judgement based on the recommendations of Vishaka guidelines was highlighted in her talk. She had created awareness by giving examples of previous incidents on the harassment against women.

Around 58 student members and 29 faculty members participated in the programme from various departments. Dr. K. Rekha, the Co-coordinator of the programme proposed the vote of thanks and with that the programme came to an end.
