DESCRIPTION:

Neerparappu pragnyai is a joint project with NGO's including RAAC and Kulangal Padhukaapu amaipu. Our crew members cleaned the rivers which contained many plastic wastes. On that day there was rituals happening for funerals and people gathered, so we also created awareness to them by explaining the people about keeping their surrounding water clean and made them to throw the wastes into the dustbin. we spread the importance of water among them.

DESCRIPTION:

Serving people isn't directly called as 'serving people', it's just sharing happiness and comforting them with whole heartedly. Sometimes it's not the money or object that a person really wants, they need someone's time, caring and shoulders to forget their worst memories. Yeah, we the Rotaract Club of GCT visited an orphanage home to share and spend some precious time with those adorable children. We share our knowledge of how to speak in English, how to introduce themselves, how to play chess and conducted some fun activities.. We really had a wonderful time by keeping our mobile aside and speaking with the naughty children. It includes community, professional and club service.

9. Report on Swachh Bharat Mission Activity

Date of event : 23.07.2019

Number of students participated: 17

Academic year: **2019-20**

'Keeping our environment clean is a major duty of every individual', We GCT NCC cadets 17 members took a initiative step by cleaning **SENGULAM LAKE, KUNIAMUTHUR, COIMBATORE ON 23.07.2019**

Introduction

On 23rd July 2019, the National Cadet Corps (NCC) cadets of Government College of Technology, Coimbatore participated in a Swachh Bharat Mission activity at Sengulam Lake, Kuniyamuthur. This initiative was part of the ongoing efforts to support the Swachh Bharat Abhiyan, a nationwide campaign aimed at promoting cleanliness and hygiene.

Objectives

The primary objectives of the Swachh Bharat Mission activity were:

- To clean and rejuvenate Sengulam Lake and its surroundings.
- To raise awareness among the local community about the importance of cleanliness and environmental conservation.
- To instill a sense of civic responsibility and environmental stewardship among NCC cadets.

Planning and Preparation

The planning for the activity involved several key steps:

- Coordination with local municipal authorities for necessary permissions and support.
- Mobilization of NCC cadets and volunteers.
- Procurement of cleaning materials such as gloves, garbage bags, brooms, and other tools.
- Arrangements for waste disposal in collaboration with the local waste management authorities.

Execution

The Swachh Bharat Mission activity at Sengulam Lake began at 7:00 AM. The key highlights of the event included:

- **Participation:** 17 NCC cadets participated in the cleanup drive. They were joined by local residents, volunteers, and members of environmental organizations.
- **Clean-up Drive:** Cadets and volunteers worked diligently to clean the lake area. Activities included:
 - Removal of plastic waste, bottles, and other non-biodegradable materials.
 - Clearing of weeds and unwanted vegetation around the lake.
 - Segregation of waste into recyclable and non-recyclable categories.
 - Disposal of collected waste in designated bins provided by the municipal authorities.

Awareness Campaign: An awareness campaign was conducted simultaneously. Cadets engaged with the local community, distributing pamphlets and explaining the importance of cleanliness and proper waste disposal. They also encouraged residents to participate in regular clean-up activities.

Conclusion

The Swachh Bharat Mission activity at Sengulam Lake on 23rd July 2019 was a resounding success. The event not only contributed to the cleanliness and rejuvenation of the lake but also raised awareness among the local community about the importance of maintaining a clean environment. The NCC cadets demonstrated exemplary dedication and teamwork, setting a positive example for others to follow.

10. Report on Plastic-Free Maruthamalai campaign

Date of event : 04.08.2019

Number of students participated: 17

Academic year: **2019-20**

'When there is team work and collaboration wonderful things can be achieved', We GCT NCC cadets 17 members and over 1500 volunteers signed up this event and removed more than **4 Tons of plastics from MARUTHAMALAI FOREST AND HILLS, COIMBATORE. ON 04.08.2019**

Objective:

The primary objective of the "Plastic-Free Maruthamalai" campaign was to create awareness about the environmental hazards of plastic pollution and to promote a cleaner, plastic-free environment in the Maruthamalai foothills.

Activities Conducted:

Clean-up Drive:

- 17 NCC cadets of Government College of Technology along with over 1500 volunteers initiated a thorough clean-up drive along the Maruthamalai foothills.
- The team collected and segregated plastic waste, including bottles, bags, and wrappers.
- Approximately 4 tons of plastic waste was collected during the drive.

Awareness Campaign:

- Cadets engaged with local residents and pilgrims visiting the Maruthamalai temple, educating them on the harmful effects of plastic on the environment.
- Flyers and posters were distributed, highlighting the importance of reducing, reusing, and recycling plastic products.

Interactive Sessions:

- The cadets conducted interactive sessions with school children in the vicinity to instill the values of environmental conservation.
- Demonstrations on alternatives to plastic, such as cloth bags and biodegradable materials, were given.

Outcomes:

- Increased awareness among local residents and visitors about the detrimental effects of plastic pollution.
- A noticeable reduction in plastic waste in the Maruthamalai foothills.
- Engagement and participation of the local community in maintaining a cleaner environment.
- Enhanced environmental consciousness among the NCC cadets and the youth involved in the activity.

Conclusion:

The "Plastic-Free Maruthamalai" campaign attended by the NCC cadets of

Government College of Technology was a significant step towards environmental conservation. The dedication and hard work of the cadets, coupled with the support of the local community, resulted in a cleaner and greener Maruthamalai foothills. This initiative serves as a model for other institutions to promote and implement sustainable practices for a better environment.

11. Report on Cycle Rally for Swachhta Pakhwada

Date: 26.09.2019

Location: Around Saibaba Colony

Organized by: Government College of Technology

Participants: 17 NCC Cadets

Objective:

The "Cycle Rally for Swachhta Pakhwada" aimed to promote cleanliness and hygiene as part of the Swachh Bharat Abhiyan. The initiative sought to raise awareness about the importance of maintaining clean surroundings and encourage community participation in keeping the environment clean.

Activities Conducted:

1. Cycle Rally:

- The rally commenced from the Government College of Technology and covered major areas around Saibaba Colony.
- Cadets carried banners and placards with messages promoting cleanliness and hygiene.

- The rally route included key locations such as schools, markets, and residential areas to maximize outreach.
- 2. Community Engagement:**
 - Cadets interacted with residents, shopkeepers, and passersby, educating them about the significance of cleanliness.
 - Pamphlets with tips on maintaining hygiene and proper waste disposal were distributed.
- 3. Swachhta Pledge:**
 - At the conclusion of the rally, cadets and community members took a Swachhta pledge.
 - The pledge was a commitment to maintain personal and community hygiene, and to actively participate in keeping their surroundings clean.

Conclusion:

The "Cycle Rally for Swachhta Pakhwada" by the NCC cadets of Government College of Technology was a successful endeavor in promoting the ideals of the Swachh Bharat Abhiyan. The rally not only raised awareness but also inspired community action towards maintaining a clean and healthy environment. The dedication and enthusiasm of the cadets, combined with community support, made this initiative a notable contribution to the Swachh Bharat mission.

12. Activity Report: Park Cleaning Activity as Part of Swachh Bharat Abhiyan

Date: 10.12.2019

Location: Bharathi Park

Organized by: Government College of Technology

Participants: 14 NCC Cadets

Objective:

The park cleaning activity aimed to support the Swachh Bharat Abhiyan by improving the cleanliness and hygiene of Bharathi Park. The goal was to create a cleaner, healthier environment for the community and promote the importance of maintaining public spaces.

Activities Conducted:

1. **Initial Assessment:**

- Cadets conducted a preliminary survey of Bharathi Park to identify areas that required the most attention.
- This included assessing the amount and types of waste, as well as potential safety hazards.

2. **Cleaning Drive:**

- The cadets divided into teams to cover different sections of the park.
- They collected and segregated waste, including plastics, paper, and organic waste.
- Special attention was given to areas with heavy littering, such as playgrounds, pathways, and picnic spots.
- Approximately 30 kilograms of waste was collected and properly disposed of.

Conclusion:

The park cleaning activity by the NCC cadets of Government College of Technology was a commendable effort towards supporting the Swachh Bharat Abhiyan. The dedication and hard work of the cadets, coupled with community involvement, resulted in a cleaner and greener Bharathi Park. This initiative highlighted the

importance of maintaining public spaces and served as an inspiration for future cleanliness drives.
