Report on International Womens' Day Celebration

Date : 07.03.2022
Time : 2:00 PM – 4:30 PM
Venue : ECE Seminar Hall
Organized By : Women Empowerment Cell

We celebrate International Womens' Day every year throughout the country on 8th March. Women Empowerment Cell (WEC) of Government College of Technology, Coimbatore organized a special lectures and events for women faculty, non teaching, ministerial staff, research scholars and girl students in the occasion on International Womens' day. It was celebrated on 07.03.2022.

Dr. Sujatha Balaraman Associate Professor of Electrical and Electronics Engineering welcomed the gathering. Dr. P. Thamarai, Principal, delivered the patron address on women empowerment cell. The activities carried out by women empowerment cell were appreciated and they were encouraged to organize more activities in the future.

Many activities were organized for the students (both online and offline mode) from 01.03.2022 to 5.03.2022 in the theme of "Media News on sexual Harassment – observe, explain and solution". The activities are tabulated below.

S.No	Date	Name of the Event	No. of Participants
1	01.03.2022 & 02.03.2022	Article Writing, Artist in You, Spin a story, Uno Minuto and Verse n' Verdict	10
2	03.03.2022	Elocution	8
3	04.03.2022	Rangoli	20
4	05.03.2022	Skit	13

The students are actively participated in all the events. Prizes were distributed to the winners of various events like Elocution, Rangoli, Skit on the theme to the students. It was surprising to see that male participants won a few prizes as well.

Finally, fun activities like balloon race, dumb charades, guess the Tamil song by its English lyrics and blind drawing games and few others were conducted for women faculty, non teaching and ministerial staff members. Finally, Dr.S.Chitra, APCE thanked the gathering for making the memorable.

As a part of Womens' day Celebration, various activities conducted for Teaching, Non-teaching and Ministerial Staff members as stress buster and to build their confidence.

Balloon Race:

Balloon race was conducted by Prof. Nithya of IBT department. Balloon race can be a great way to boost resilience; which is the ability to recover from setbacks and keep going even when things go wrong. It can also build persistence as they learn to keep trying even when it is difficult. These skills are important for emotional development and learning new things.

Dumb Charades:

Dumb Charades was conducted by Prof. Sathya of English department. It makes us agile and cheers up our mood. It is not just about acting and guessing, it is a whole process of team building and making bonds stronger. It is not an individual game but rather reflects team participation.

Blind Drawing Game:

Blind Drawing Game was conducted by Prof. Revathi, Asso. Prof. of Physics department. Blind line drawings help to improve your hand-eye coordination and your artistic observational skills. By not looking down at your paper, you're forced to see your subject as a series of lines and shapes rather than, say, a face with a nose and eyes.

5 Stones and Flower Tying :

Five stones and flower tying activity were conducted by Prof. Devi of Information and Technology department. The game aims to help to improve eye sight and memory, and builds concentration and aiming skills. It is a good gauge of one's dexterity and hand-eye coordination.

The program was organized and conducted successfully with fullest cooperation of the Coordinators of WEC and the Program came to an end by 5 PM.

Guest Speaker	: Mrs. Gnana Asriyar Malarkodi

On an account to celebrate International Women’s day, Women Empowerment Cell (WEC) of GCT, Coimbatore conducted Online program on “Ookamathu kaivedel (ஊக்கமது கைவிடேல்)”. The program commenced on 8th march 2022 at 2:00 pm through Google meet. Webinar conducted for women teaching, non teaching and ministerial staff to cultivate a mindset of determination and to tackle difficult challenges The welcome address was given by Dr.Sujatha Balaraman Professor/EEE and Convenor of Women Empowerment Cell. She highlighted the roles and responsibilities of WEC of our college. Prof. Amina Bibi , ECE department introduced the Chief Guest Mrs. G.A. Malarkodi and she emphasized the achievements of our chief guest. Chief guest Mrs. G.A. Malarkodi gave a motivational speech on the empowerment of women in the society. She stated that motivation is a tool required for women to reach their goals that depends on facts like, for their basic needs and dependence for their families or own perspectives. She also described motivation as women’s self-strength, encouragement, impulse etc., which is used to develop their skills in different areas. She said it is the process that initiates, guides and maintains goal-orientation behavior. She classified the motivation as Intrinsic and Extrinsic motivation. To build intrinsic motivation one needs to take the path of inward journey and find the truth self. YOGA is the tool which helps you in this inward journey. Extrinsic motivation is to engage in an activity because it leads to a tangible reward or avoids punishment. She also highlighted the benefits of Yoga where it helps in controlling an individual’s mind, soul and body. She said Yoga brings together physical and mental disciplines to achieve a peaceful body and mind. It helps manage stress and anxiety and keeps you relaxing. She also suggested that doing a simple movements or exercise will give a better concentration, creativity and sharpens to our memory. She also stressed to have proper food to highlight an old saying “Food is medicine”.

Vote of thanks was given by Prof. Malavika, Computer Science Engineering. She expressed her sincere gratitude to the chief guest for sharing her valuable thoughts. The program came to an end by 4:30 pm.
