

PLANTATION DRIVE ON NCC DAY 2021

Introduction

On the occasion of NCC Day 2021, a tree plantation drive was organized by the National Cadet Corps (NCC) to promote environmental sustainability and awareness among cadets. The event was held on 28.11.2021, and it saw enthusiastic participation from our NCC cadets.

Objectives

The primary objectives of the tree plantation activity were:

- To commemorate NCC Day with a meaningful and impactful activity.
- To raise awareness about the importance of trees and environmental conservation.
- To encourage cadets to take an active role in preserving the environment.

Planning and Preparation

The planning for the tree plantation drive began a month in advance. The following steps were undertaken:

- Selection of the plantation site.
- Procurement of saplings from local nurseries, ensuring a variety of native species.
- Coordination with local environmental organizations for expert guidance.
- Mobilization of cadets for the event.
- Arrangements for tools, water supply, and other necessary resources.

Execution

The key highlights of the event included:

- **Participation:** 7 cadets from our NCC unit participated in the drive.
- **Plantation:** A total of 10 saplings were planted in the designated area. The saplings included species such as Hibiscus and other native varieties.
- **Awareness Campaign:** Cadets conducted an awareness campaign, distributing pamphlets and engaging with the community to educate them about the benefits of tree plantation and environmental conservation.

Impact

The tree plantation drive on NCC Day 2021 had a substantial impact, both immediate and long-term:

- **Environmental Impact:** The planting of 10 saplings contributed to the increase in green cover and will help in improving air quality, soil conservation, and biodiversity in the area.

- **Educational Impact:** The activity served as a practical lesson in environmental stewardship for the cadets, fostering a sense of responsibility and commitment towards nature.

Conclusion

The tree plantation activity on the occasion of NCC Day 2021 was a resounding success. It not only marked the celebration of the day with a purpose but also instilled environmental values among the cadets and the community.

By engaging in such activities, the NCC demonstrates its commitment to nurturing responsible citizens who are aware of their environmental duties and are proactive in preserving the natural heritage of the country.
