ITEM : 31.9	To discuss and recommend the Programme Specific Outcomes of 2018 Regulations Full Time B.E. Mechanical Engineering.
------------------------	--

The Programme Specific Outcomes (PSOs) of Full Time B.E. Mechanical Engineering, were brought forward by the Chairman of Mechanical Engineering.

The Anna university Nominee Dr.J.Prakash, Professor, Department of Instrumentation Engineering, MIT Campus suggest to revise the Programme Specific Outcomes stating that Programme Specific Outcomes are similar to Programme Outcomes.

The Council after discussion accepted the suggestion and approved the revised Programme Specific Outcomes as given below:

- PSO 1: To develop the capability for synthesizing data and technical concepts so as to emerge as a successful engineer /administrator in industry to meet the needs of society and the country.
- PSO 2: To exhibit a sound foundation in thermal, design and manufacturing engineering in addition with engineering sciences necessary for achieving excellence in solving and analysing day to day problems to face new challenges for multi-disciplinary projects in higher /graduate studies.
- PSO 3: To fulfill the ambition of life-long learning and apply professional ethics and codes of professional practices during their career.

ITEM : 31.10	To discuss and ratify the changes in 2016 Regulations UG and PG curriculum and syllabi

ITEM : 31.12	To discuss and approve 2018 Regulations Full Time B.E/ B.Tech. curriculum and syllabi from III to VIII semesters
-----------------	--

The Academic council discussed and resolved to approve the 2018 Regulations Full Time B.E/ B.Tech. curriculum and syllabi from III to VIII semesters of the following programmes, brought forward by the respective Chairman of Board of Studies.

(i) Civil Engineering (ii) Mechanical Engineering (iii) Electronics and Communication Engineering (iv) Production Engineering (v) Computer Science and Engineering (vi) Information Technology (vii) Industrial Biotechnology

The following suggestions were given by the Anna university Nominee Dr.J.Prakash, Professor, Department of Instrumentation Engineering, MIT Campus, in the curriculum and syllabi of B.E. Electrical and Electronics Engineering.

- i) The title of the course "18EPC305 - DC Machines and Transformers " may be changed as "18EPC305 - Electrical Machines I".
- ii) The title of the course "18EPC405 - Rotating AC Machinery and Special Machines" may be changed as "18EPC405 - Electrical Machines II".

The council after discussion accepted the above mentioned changes and approved the B.E. Electrical and Electronics Engineering curriculum and syllabi from III to VIII semesters, brought forward by the chairman of Electrical and Electronics Engineering.

The following suggestions were given by the Anna university Nominee Dr.J.Prakash, Professor, Department of Instrumentation Engineering, MIT Campus, in the curriculum and syllabi of B.E. Electronics and Instrumentation Engineering.

- i) The title of the course "18NPC503 - Control System Theory" may be changed as "18NPC503- Control System Design"
- ii) The title of the course "18NPC504 - Signals and Linear Systems" may be changed As "18NPC504 – Basics of Signals and Systems"
- iii) The title of the course "18NEE607- Industrial Parameters Measurements Laboratory" may be changed as "18NEE607 - Industrial Instrumentation Laboratory".
- iv) The title of the course "18NPC703 - Industrial Automation System" may be changed as "18NPC703 - Industrial Automation Systems".

The council after discussion accepted the above mentioned changes and approved the B.E. Electronics and Instrumentation Engineering curriculum and syllabi from III to VIII semesters, brought forward by the chairman of Electronics and Instrumentation Engineering.

*(Copies of **ANNEXURE A** were placed before the Academic council for reference and verification.)*

ITEM : 31.13	To discuss and recommend following changes in 2018 UG and PG Regulations i) Inclusion of Swayam / NPTEL Courses which can be considered instead of Professional / Open Elective Courses ii) Adoption of AICTE guidelines for Internship iii) Adoption of Additional activity points as per AICTE guidelines
-----------------	--

The Academic Council reviewed and resolved to approve the following changes in 2018 UG and PG Regulations, brought forward by the Controller of Examinations.

ITEM : 31.13.1 INCLUSION OF SWAYAM / NPTEL COURSES WHICH CAN BE CONSIDERED INSTEAD OF PROFESSIONAL / OPEN ELECTIVE COURSES

The Clauses 4.7 and 10.8 in UG and PG 2018 regulations are amended as given below:

CLAUSE 4.7 – ONLINE COURSES OFFERED THROUGH SWAYAM

Students may be permitted to credit online courses registered through SWAYAM (which are provided with the Certificates) instead of Professional/Open Elective Courses with the approval of Board of Studies through Department Consultative Committee. The online course of 3 credits can be considered instead of one Elective course (Professional / Open Elective). The Department Consultative Committee consists of the Head of the Department, Programme Coordinator, Senior Faculty member and the department SWAYAM coordinator selects the courses to be permitted for credit transfer through SWAYAM prior to the commencement of the semester. The courses selected through the SWAYAM may not necessarily be the courses which are offered in the list of Professional / Open Electives courses, as part of the curriculum. The Committee ensures the physical facilities like laboratories, computer facilities, library, etc required for the courses are made available free to the students in adequate measure. The Committee also intimates the students about the selected courses prior to the commencement of the semester, monitors the students' registration and submits the same to the Controller of Examinations for further proceedings. It is the responsibility of the Committee to identify and designate a Course Coordinator / Facilitator / Mentor to each online course offered. The Course Coordinator / Facilitator / Mentor guides the students throughout the course, facilitate / conduct the lab / practical sessions / examinations and submits the certificates and marks earned by the students to the Controller of Examinations during credit transfer request by the student.

CLAUSE 4.7.1 – CREDIT TRANSFER OF ONLINE COURSES OFFERED THROUGH SWAYAM

The student has to register for the credit transfer of the online course during the course registration. The online course(s) which is/are successfully completed by the student in a particular EVEN/ODD semester during the course of study is/are eligible for credit transfer in the immediate next ODD/EVEN or next EVEN/ODD semester (i.e. an online course is eligible for credit transfer for two subsequent semesters). If the student is willing, he/she will be permitted to replace all the elective courses with the Online courses, subject to the maximum of 20% of the total credits of the programme.

CLAUSE 10.8 - ASSESSMENT FOR ONLINE COURSES OFFERED THROUGH SWAYAM

The marks awarded by the SWAYAM platform for grading of the course may be considered as such. The Performance Analysis Committee shall assign the academic grades to the students based on their performance (vide clause 12 Regulations 2018). No grades shall be awarded for the attendance in the grade sheet for the online course (The attendance requirement as mentioned in Clauses 7.1-7.3 of Regulations 2018 is not applicable for the online course).

31.13.2 THE ADOPTION OF AICTE GUIDELINES FOR INTERNSHIP

The credit framework as given in the Clause 4.5.2 of UG and PG regulations are changed as follows:

The following requirement is included in the Clause 4.5.2

Duration of Industrial Training / Practical Training/ Internship/ Summer Projects / Seminars /Professional Practices /Case Study	CREDITS
1 WEEK (40 - 45 HRS)	1 CREDIT

The students should complete 4 weeks of Internship / Entrepreneurial activities / Project work / Seminar and Inter / Intra Institutional Training during Summer/ Winter Vacation or Academic session.

31.13.3 ADOPTION OF ADDITIONAL ACTIVITY POINTS AS PER AICTE GUIDELINES

The following requirement is included in the Clause 20 and renamed as "Additional Activity Point Program. The student should earn at least 100 activity points before he/ she appears for his/ her Final Examinations. The points earned by the students, will be reflected on the student's transcript. However, there will be neither grades/ marks for these points nor will there be any effect on SPI/CPI/CGPA etc. The student may undergo additional activity point programme any time during the semester or during weekends or holidays. Every regular student is required to earn 100 Activity Points in addition to the required academic grades, for getting 4 Years degree programme. Students entering 4 years Degree programme through lateral entry are required to earn 75 Activity Points, in addition to the academic grades, for getting 4 years' degree program. Every student is required to prepare a file containing documentary proofs of activities, done by him/ her.

S.NO	Duration	Maximum Activity Points
1	2 Weeks(80 to 90 Hours)	20 Points

All students shall enroll, and earn additional activity points through any one of the following programmes:

- National Cadet Corps (NCC)
- National Service Scheme (NSS)
- National Sports Organization (NSO)
- Youth Red Cross (YRC)
- Unnat Bharat Abhiyan (UBA)
