

GOVERNMENT COLLEGE OF TECHNOLOGY, COIMBATORE -13
TRAINING AND PLACEMENT CELL

A First in GCT's history!

Gleam is a GCT commune recognising the professional prowess of GCT's students and the gates that lay open for them in their futures made possible by rigorous training and unrelenting dedication. Gleam 2022 was held on 13th of November along with the inauguration of the renovated Main Auditorium.

Dr.Kavitha Thangamani (Alumna 1993), Chief research and development officer, Exterro, presided over the event as chief guest. She made remarkable comments on the professionalism of GCT students and their reliability during her address.

Our Principal Dr. P. Thamarai, Chief guest Dr. Kavitha Thangamani, Training and Placement Officer Dr. K. Ramesh, All Heads of Departments and the Placement Representatives of various departments were honoured with momentos for their untiring efforts and dedication for the welfare of the student community. Students were awarded their offer letters by our honorable Principal, Chief guest and HODs.

The departments of CSE and IT signed an MOU with Exterro at the event for assured annual recruitment and to bring in more market opportunities for all students. Exterro also sponsored Gleam 22'.

Placement Report:

During the academic year 2021-22, A total of 556 students took part in placement drive. 500 students received job offers from 66 companies that visited our campus with the highest package being 14.5 LPA.

The placement statistics for the academic year 2021-2022 are as follows:

Branch	Intake	Eligible	Placed	%
CSE	65	56	56	100
ECE	66	55	49	89
IT	65	55	51	93
EEE	67	60	56	93
Mech	130	80	72	90
Prod	60	50	41	82
Civil	120	70	60	86
EIE	62	60	58	97
IBT	105	70	57	81
	740	556	500	90

The placement drive for 2022-2023 began in May of 2022. A total of 546 students from batch of 2023 are taking part in campus placements and 430 students have received job and internship offers. The highest offer made so far is 17 LPA.

With the beginning of the new tenure of Dr. K. Ramesh as the new Placement Officer, campus placements have taken a new positive turn, through the expansion of recruiters profile and effective placement training for students. Students have expressed heartfelt gratitude and support for this new beginning.
