

DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING  
GOVERNMENT COLLEGE OF TECHNOLOGY, COIMBATORE – 13.

GRADUATE SURVEY

|   |                        |
|---|------------------------|
| Student Name  | DHARANI.M              |
| Register Number   | 1413301                |
| Period of Study   | 2014-18                |
| Mobile No & Mail ID   | 9788014499, 8838004042 |
| <p><b>Kindly fill out this questionnaire to express the degree of achievement for the following Programme Outcomes on graduation:</b><br/>(After each statement indicate the answer 'a' through 'e' which closely fits the given statement)</p>   |                        |
| <p><b>My B.E. EEE Programme at GCT has given me:</b></p>  |                        |
| <p>1. Capability to apply Electrical Engineering knowledge using the principles of mathematics, science and engineering fundamentals<br/>a. Strongly disagree   b. Disagree   c. Neutral   <input checked="" type="checkbox"/> d. Agree   e. Strongly agree</p>   |                        |
| <p>2. Capability to identify, analyze and solve the Electrical Engineering problems.<br/>a. Strongly disagree   b. Disagree   c. Neutral   d. Agree   <input checked="" type="checkbox"/> e. Strongly agree</p>   |                        |
| <p>3. Capability to design and implement the solutions for complex engineering problems.<br/>a. Strongly disagree   b. Disagree   c. Neutral   <input checked="" type="checkbox"/> d. Agree   e. Strongly agree</p>   |                        |
| <p>4. Capabilities to analyze, design, simulate and investigate the complete systems involving Electrical and Electronics Engineering.<br/>a. Strongly disagree   b. Disagree   c. Neutral   <input checked="" type="checkbox"/> d. Agree   e. Strongly agree</p>   |                        |
| <p>5. Capability to use modern engineering tools for the analysis and control of Electrical Engineering problems.<br/>a. Strongly disagree   b. Disagree   c. Neutral   d. Agree   <input checked="" type="checkbox"/> e. Strongly agree</p>  |                        |
| <p>6. Capability to carry out reasoning acquired through the contextual knowledge to assess societal, health, safety and the consequent responsibilities relevant to the professional engineering practice.<br/>a. Strongly disagree   b. Disagree   <input checked="" type="checkbox"/> c. Neutral   d. Agree   e. Strongly agrees</p> |                        |
| <p>7. Capability to understand the impact of the professional engineering solutions in societal and environmental contexts and demonstrate the knowledge of environment and sustainability.<br/>a. Strongly disagree   b. Disagree   c. Neutral   <input checked="" type="checkbox"/> d. Agree   e. Strongly agree</p>                  |                        |

8. Capability to appreciate professional and ethical issues with proper use of engineering knowledge.

a. Strongly disagree   b. Disagree   c. Neutral    d. Agree   e. Strongly agree

9. Capability to function effectively as an individual and as a member or leader in diverse teams and in multidisciplinary settings.

a. Strongly disagree   b. Disagree   c. Neutral    d. Agree   e. Strongly agree

10. Capability to communicate effectively about Electrical Engineering problems and solutions with the society through documentations and presentations.

a. Strongly disagree   b. Disagree   c. Neutral    d. Agree   e. Strongly agree

11. Capability to acquire knowledge in the specific area of Electrical Engineering to comply with current trends through lifelong learning.

a. Strongly disagree   b. Disagree   c. Neutral    d. Agree   e. Strongly agree

12. Capability to develop entrepreneurial skills, project and finance management

a. Strongly disagree   b. Disagree   c. Neutral   d. Agree    e. Strongly agree

13. How would you rate your satisfaction regarding the overall graduate experience at GCT?

Excellent    Good    Average    Fair    Poor    N/A

14. Choice of employment

Consultant    Developers    Government    Education    Others

15. Do you have any planning for higher studies

Yes    No

Any other comments/suggestions

  
SIGNATURE
