MINUTES OF THE 1st IQAC MEETING

The 1st IQAC meeting for the academic year 2019 - 2020 was held on 02.09.2019 at 10:00 am in Principal's chamber. Dr. P.Thamarai, Principal welcomed the members of IQAC and briefed about initiatives taken by GCT for the betterment of the institution and its stakeholders. Dr. R.Thenmozhi, Coordinator, IQAC made a presentation on the activities of IQAC.

The following members were present for the meeting

Sl.No.	Name	Member Category	Signature
1	Dr.P.Thamarai	Convenor	P. Thamarai
2	Dr.R.Thenmozhi	IQAC Co-ordinator	R. Thenmozhi
3	Dr.S.P.Jeyapriya	IQAC Co-Coordinator	S.P. Jeyapriya
4	Dr.Maragatham Nataraj	External - Academics	Maragatham Nataraj
5	Prof. Shanmugam	External - Alumnus	Shanmugam
6	Dr. A. Sudhakar	External - Industry	A. Sudhakar
7	Dr.S.Rathi	Member	S. Rathi
8	Dr.N.Nandhakumar	Member	N. Nandhakumar
9	Dr.R.Rajeswari	Member	R. Rajeswari
10	Dr.C.Meiaraj	Member	C. Meiaraj
11	Dr. O. Saraniya	Member	O. Saraniya
12	Tmt.M.Parimala Murugaveni	Member	M. Parimala Murugaveni
13	Dr.S.Latha Venkateshwari	Member	S. Latha Venkateshwari
14	Thiru.R.Gunasekaran	Member	R. Gunasekaran
15	S.S.Moulidaran	Student Member	S.S. Moulidaran
16	A. Sankararaman	Student Member	A. Sankararaman
17	C. Poushya	Student Member	C. Poushya
18	M.Harishkumar	Student Member	M. Harishkumar

The following agenda were discussed during the meeting:

Agenda 1: Confirmation of minutes of last IQAC meeting

Minutes of the last IQAC meeting was presented and approved by the members.

Agenda 2: Action taken status of last IQAC meeting suggestions

Criterion	IQAC Suggestions	Action taken Status
Curricular Aspects	Introduction of Value-Added Courses	Implemented.
Teaching - Learning and Evaluation	Encourage students and faculty to use ICT tools for teaching and assessments	Implemented and received comments in class committee meetings.
	NPTEL enrolment and registration of Online courses,	Many students and faculty members have registered for different NPTEL Courses and obtained NPTEL course certificates after successful completion.
	Participation in programmes organised by mentee Institutions	Faculty members from ECE, EEE and Civil Engg. departments have participated in various programmes organised by mentee institutions.
	Conducting workshops and special Lectures	Many guest lectures have been arranged by the departments by inviting experts from Industries. Also, workshops were conducted by various departments that promote innovations and hence students are able to participate and won prizes in Smart India Hackathan.
Research, Innovations and Extension	Monitor the progress of Research Scholars	Progress is actively monitored at department level.
	Funding Proposals	Proposals were submitted by CSE, ECE departments and grants were received by these departments to carry out research
	Patents	The department of Electrical Engineering has obtained a patent titled "Dual Axis Solar Panel tracking complete mechanical Arrangement" on 2 nd of July 2019. United States Patent, Patent No US10, 340,841 B1 on Jul. 2, 2019.
	Consultancy through equipments purchased under TEQIP	Internal Revenue was generated by departments like Civil, Mechanical and EEE departments. In some other departments initiatives were taken to purchase the equipments which are needed for consultancy.
Infrastructure and Learning Resources	Visit to TLC, Thermal block, MBA/MCA centre and Hostel buildings	Students of Civil Engg have been taken by the faculty members to explain the various aspects of construction that is practiced in the site to gain practical knowledge.

Student support and Progression	internship training	Second year and Third year students of all departments have undergone internship training programmes and submitted reports to TEQIP
	Encourage students and faculty to undertake more on-line courses	Initiated and in progress. Many students registered online courses
	Coaching for GATE examinations	Completed
Institutional Values and Best Practices	Alumni in college growth	<ul style="list-style-type: none"> • Departments have submitted detailed proposals related to construction of new laboratory buildings, renovation of existing buildings etc to Alumni • Series of Alumni Talks is planned and executed
	Initiatives under Environment Management Practice(EMP)	<ul style="list-style-type: none"> • In order to maintain the clean environment Incinerators are installed in the girls hostel. • Barrier free access of 42 ramps and Toilets are constructed for the physically challenged persons • Mass Plantation Drive: Planted 1000 Saplings on 17.08.2019. Seed balls prepared by NCC of GCT.

Agenda 3:

IQAC activities since the last meeting

Presented along with snapshots and noted by the members.

Agenda 4

Review of Publications, Sponsored Research & Consultancy and Students' Placement

- Analysis of Scopus indexed publications, Thomson Reuters publications (with Impact factor), total citations and mean citation index, h-index were presented.
- Promotion of research at GCT is enhanced through TEQIP Phase III funding (The details of increase in number of FT/PT Research scholars were highlighted)
- Sponsored Project details and Students' Placement data were presented.
- Recent MoUs signed to various universities/organizations were presented.

Agenda 5:

Infrastructure and Learning Resources

The construction of buildings like Faculty Training Centre, Thermal block and MBA/MCA counseling hall was completed and opened for use.

Agenda 6: Suggestions from IQAC

Principal requested the members to express their views. The following suggestions were received from the external expert members and student representative of IQAC.

1.	Dr. Maragatham, Dean, Avinashilingam University suggested to focus on value added courses to students to enhance employability. She further proposed that the percentage of faculty members using ICT tools has to be improved for enhancing the Teaching-Learning process. She also suggested to focus on obtaining grants and sponsored projects to improve NIRF ranking. With reference to NIRF, she insisted that the faculty contribution in terms of number of faculty with PhD, publications and „h“ index need to be improved for improvement in NIRF ranking
2.	Dr. Sudhakar, CEO, Dimensions, Industrial Expert suggested to add courses/value added courses to improve industry readiness of students. He also added that to invite Professors from other Universities (MoU's) to conduct classes/workshops through either online/offline. He also informed that more number of seminars/workshops/guest lectures by industry persons/alumni could be arranged to students to improve industry readiness.
The following suggestions were received from the internal members of IQAC.	
3.	Principal discussed about the various activities to be organized by the college as a mark of Platinum Jubilee Celebrations. She mentioned about encouraging students and faculty to undertake more on-line courses. She insisted about motivating students to participate in competitions.
4.	HOD of EEE Department highlighted about the need of purchase of Test rig setup for motor testing to increase the Testing and consultancy services to industries.
5.	TEQIP Coordinator insisted about the need of purchase of SEM as common facility
6.	NBA Coordinator discussed about the next set of programmes which has to apply for NBA.
7.	IQAC Coordinator mentioned about the list of FDPs/workshops/seminars to be organized by all departments.
8.	Dr.Ramadevi, Professor of Chemistry informed about Green aspects to be adopted as Environment Management Practices

Agenda 7: Any other items

Finally, chairperson thanked the members for their active participation.
